DETAILED ACTION

REASONS FOR ALLOWANCE

1. Claims 1, 2, 4-11, 26, 27, 28 are allowed.
2. The following is an examiner's statement of reasons for allowance: Independent claims 1, 4, 7, 26, 27 and 28 provide limitations for an inkjet printhead utilizing a label positioned over air diffusion and/or ink fill holes. It is known in prior art to use labels, films, tabs, or similar covering methods to achieve the invention, however claim limitations include a label which covers the entirety of at least one air diffusion vent and/or ink fill hole and requires that another air diffusion vent is partially covered but not entirely. It is the requirement of partially covering additional air diffusion vents that defines the invention over prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
